Chapter One: The Velvet Room

Vivienne sang beneath chandeliers while hiding bruises under silk gloves. Her husband Damien, the mob's lawyer, smiled in public and broke her in private.

Chapter Five: The Ghost King's Hand

At a masked gala, the dead returned. Salvatore stepped from shadow, and the rival prince Leonardo emerged from his own false grave.

Final Chapter: The Empire That Never Existed

Ten years later, the law remembers only Lucien's scar. But the real empire lives beneath vanished names, ghost routes, and Vivienne's final authority.
